This subject along with the petitions forwarded by the Deputy Commissioner in the matter of acquiring land near the Railway line (bait compound) for A K colony were referred to the Municipal Council for its opinion The Municipal Council in their meeting held on 3?-5-1943 resolved that the site near the Railway line is very insanitary and unfit for habitation and acquisition of another site for A K colony would be taken up The records with the opinion of the council were submitted to the Sub Division Officer, Kolar, who in turn submitted to the Deputy Commissioner, Kolar District The Deputy Commissioner returned the records in his Memo No A3 R 64/43-44 dated 20-1-1944 stating that the opinion of the Municipal Council is untenable and the matter may be placed again before the Municipal Council

Subject: Acquisition of lands for the Adikarnataka colony at Bourinmet

Sir,

With reference to your letter No L 1962 dated 31st June 1944 and subsequent reminder No L 2576 dated 16/9/44 enquiring the causes for the inordinate delay of nearly four years for the initiation on the above subject, I have the honour to state that the delay is due to the fact that the Municipal Council, Bourinmet, once not agreed for acquiring the land in question for locating the colony and meeting the cost of acquisition thereof, on the ground that the site was not fit for habitation. The president of the Municipal Council was requested in this office memo No A3 C 143/43 dated 8/2/44 to obtain the resolution of the council to the payment of acquisition charges, as the site was quite good for habitation and as their objections were baseless. On further consideration the Municipal council resolved in their meeting held on 1/3/44 that the site may be acquired for the [illegible] colony and
